Dr. Michael Gurian

Family Counselor, Researcher, and *New York Times* Bestselling Author

Keynote – *The Minds of Boys & Girls: A Science-Based Approach to Social Emotional and Academic Education*

Keynote - *Saving Our Sons: Gender-Specific, Trauma-Informed, and Poverty-Sensitive Strategies for Helping Boys Thrive in an Age of Boy Crisis*

Keynote – *Saving the Digital Child: Strategies for Empowering and Protecting Our Children in the Digital Age*

Boys and Girls Learn Differently: Strategies Part I and II with Dr. Michael Gurian. These workshops offer the “nuts and bolts” for implementing gender friendly strategies into the classroom, at home, or in your practice. For individuals becoming Certified Trainers, these are required workshops. Dr. Gurian will show video clips of Gurian schools and teachers using highly effective strategies in their classrooms and systems.

Diane Roberts

Teacher, Administrator, and Consulting Director of GI

Bonus Keynote – *Solving the Classroom Management Puzzle Including a Special Emphasis on Working with Diverse Learners.*

Boys and Girls Learn Differently: Strategies Part I and II. Diane Roberts, Gurian Master Trainer and the GI Consulting Director, will pre-record her Boys and Girls Learn Differently Strategies workshops. Event Participants will, thus, get access to two versions and even more strategies. As principal of a school in Maryland, Diane implemented the Gurian theory and strategies throughout the system with great success. She will discuss this experience as she provides analysis and strategies.

Marion Hill

Program Director and Founder of M.A.N.C.A.V.E (Men All Need to be Caring, Actively Engaged, Vested, and Encouraged), a premier Father Nurturing Program with a special emphasis on helping early childhood educators and families.

Bonus Keynote – Authentic Fatherhood for Preschool Kids and Beyond

All Keynotes and Workshops highlight sex and gender-friendly theory and strategies applicable to both coeducational and single sex classrooms, schools, and academies.
